

GENERAL INVESTIGATIVE DIVISION

Mr. Fred Bruner, Attorney, Dallas, Texas, contacted the Dallas Office and represents Mrs. Clyde W. Paschall, Jr. Mrs. Paschall took a color movie film of the Presidential parade on 11/22/63 and Dealey Plaza after the assassination. This film was alleged to have been turned over to SA Robert M. Barrett at Dallas and was returned. Mr. Bruner has attempted to sell this film to Life Magazine who after reviewing it said the film was a duplicate. He thought the FBI may have had a copy made which was returned instead of the original.

He has since received an incentive award and letter of commendation. SA Barrett will be interviewed to determine the circumstances involved so Dallas may answer Mr. Bruner. Dallas and Bureau files contain no references to this matter.
